Pascal,

Here are the three documents associated with Eureka's Ammonia modeling. Sorry about the delay in getting these to you. The document Att2-Effluent Mixing Draft TM 2019-11-25 is what we need to primarily look at now.

Matt

The governor of California has issued a statewide shelter in place order due to the COVID-19 emergency. The Water Boards are continuing day-to-day work protecting public health, safety, and the environment. However, most staff are working remotely and we continue to check email and voicemail regularly. Thank you and stay healthy and safe.
